

**KB 323-0** *bar cabinets*

**Classic Line**

Bar cabinet KB 323 can be equipped with interior lighting, castors and also with a built-in refrigerator. For long durability, we make our furniture from 1-3 mm thick steel by hand and finish it off with acrylic lacquer used in the automotive industry. As all müller furniture Classic Line is available in the whole RAL colour range. Standard finish of all Classic Line furniture is glossy.
